CHAPERONS and STAFF The success of our camp is directly related to the commitment of our full-time staff and chaperons that help our scouts have the best program available. Day Camp standards require that appropriate staff and chaperon ratios be maintained during the camp program. A chaperon is an adult 21 years or older, usually a parent/guardian of an attending scout who volunteers for one or more days to help supervise the scouts in a particular den. It is not required that the same chaperon come each day. Also, **ALL BSA REGISTERED LEADERS AND STAFF** at day camp **MUST** have a current Youth Protection Certificate. You can take this training online at www.oldhickorycouncil.org.
