New Leader Essentials & Cub Leader Specific

New Leader Essentials is an introductory session that highlights the values, aims, history, funding, and methods of Scouting. It addresses how these aims and methods are reached in an age-appropriate style within Cub Scouting, Boy Scouting, Varsity Scouting, and Venturing. Videos, discussions, and hands-on reinforcement are presented during the 90-minute training session. Ideally, all unit-based volunteers—Cub Scout, Boy Scout, Varsity Scout, and Venturing leaders—take this session at the same time, so they understand that they are all striving for the same results with the youth they serve. Each leader completes New Leader Essentials training only once. Leader Specific training has been developed for the following positions and their assistants: Tiger Cub den leaders, Cub Scout den leaders, Webelos den leaders, Cubmasters, and Pack committee members.

Cost is FREE! Meals are on your own! Registration starts 30 minutes before sessions begin. New Leaders Essentials course starts at 9:00 AM & Leader Specific starts at 12:30 PM

B.A.L.O.O.

(Basic Adult Leader Outdoor Orientation)

The target participant for BALOO training is a new Cub Scout leader with a desire to plan and carry-out an entry-level outdoor experience for the pack. Successful completion of this training will result in an increased level of confidence and a willingness to plan an age-appropriate pack overnighter. Ideally, this person is a parent who is not already part of the pack leadership team. The person should become a member of the Pack Committee. This position is similar to the person in charge of the pinewood derby, blue and gold banquet, or other special pack activity. He or she is required to attend the actual planned camping event.

National Youth Leader Training, or NYLT, this has replaced Junior Youth Leader Training, but is anything but "junior." Accepting only the **best of the best**, this training surpasses anything the BSA has ever developed in youth leader training. While incorporating the patrol method, leadership skills will be taught in both indoor and outdoor setting and promises to be fun, adventurous, and informative. It is the youth equivalent of Wood Badge (the highest training an adult leader can receive).

WOOD BADGE

FOR THE 21ST CENTURY

Wood Badge for the 21st Century has been developed for Cub Scout, Boy Scout, Varsity Scout and Venturing Leaders, as well as council and district leaders. The course content and leadership principles introduced apply to Scouters in all leadership positions and will provide a common foundation of leadership skills to be used throughout all program areas.

Course cost is \$150 and scholarships are available
