

NYLT TOP GUN August 3-5 and 8-11, 2019

Training the youth leaders of a Boy Scout Troop, Venture Crew, or Sea Scout Ship is important in helping the individual Scout and the unit to grow. The Boy Scouts of America has developed this training experience that has proven highly valuable in developing youth leaders.

The course will stress two areas of leadership development: (1) Team Development taught via an overall outdoor experience, and (2) Basic Leadership Skills, which will help the youth leader to be more effective in his/her job, school, home, and Scouting life.

What is National Youth Leadership Training? The National Youth Leadership Training course is an introduction to leadership skills such as Communicating, Giving Presentations, Resolving Conflict, and Team Development, just to name a few. Many adults in the corporate environment spend thousands of dollars to gain this level of leadership training. Receiving this training this early in life will position these youth to be successful in their units and throughout life. Participants will sleep in tents, work and learn as a team, and will be expected to live by the Scout Oath and Law.

What is its purpose?

- To give Scouts the confidence and skills to lead their unit
- To give youth a basic knowledge of the eleven skills of leadership and how to relate these skills to Scouting
- To give youth the opportunity to share ideas and experiences with Scouts from other units
- To create an atmosphere in which Scouts will experience the Patrol Method at its best
- To enhance the relationship between the Youth Leader and his/her Unit Leader
- To have FUN!

Who may attend? Youth will participate in the NYLT course in squadrons (patrols) consisting of Scouts and Venturers from throughout Old Hickory Council and beyond, typically with youth they have not met before the course. It is highly recommended, therefore, that each course participant be of sufficient maturity and experience as reflected in these minimum requirements: **First Class Scout or above, 14+ years of age, has served or is currently serving in a leadership position in a Scout Troop, Venture Crew, or Sea Scout Ship, or will assume a leadership position soon.** The Scout should also have a strong personal desire to attend the course. No youth should be forced to attend.

The course is limited to 48 participants. Registration will be on a first come first served basis. **Should more than 48 participants register, a fully paid waiting list will be formed. Those not selected for the course will be eligible to be considered for the course to be held in 2020** (date to be determined).

What are the dates and location of the course? The NYLT course will be held at **Camp Raven Knob**. Participants must arrive for check-in at **9:00 a.m.** on Saturday, **August 3rd**, and need to have eaten breakfast. Pick-up time for Scouts is **7:00 p.m.** on Monday **August 5th**. The second weekend will begin at **7:00 p.m.** on Thursday, **August 8th**. Eat Dinner before arrival. **The course graduation ceremony will begin at 6:00 p.m. on Sunday August 11th in the Chapel.** Unit Leaders and parents are invited (of course).

NYLT TOP GUN August 3-5 and 8-11, 2019

What is the cost? The course fee is **\$130** and includes all meals, program supplies, and recognition items. A deposit of \$50 is to accompany the registration form, with the balance of \$80 due by July 19, 2019. The full amount can be paid with this registration. If the course fee is not paid by July 19, the next youth on the fully paid waiting list will have the opportunity to participate. After July 19, 2019, no refunds will be given unless the slot is filled by another youth. Medical situations will be considered for refunds. The course is limited to 48 participants, so early registration is encouraged. If you pay by check, please make the check payable to Old Hickory Council and note "Top Gun NYLT" on the memo line.

Are any other forms or special equipment required? An equipment list will be sent to each participant with his/her course confirmation by July 22, 2019. Most Scouts participating in an active troop or crew with a good outdoor program should have the necessary gear. There are no special uniform requirements, but **each participant must bring their official Scout Field Uniform (Class A)**, and ensure that badges are properly placed and that the uniform is worn correctly. Each participant should submit a **Health and Medical Record (Parts A, B, and C, with copy of front and back of insurance card)** with his/her registration form, but it must be received no later than July 19, 2019 (this is the same medical form required for summer camp). They are available from the Old Hickory Council Office or on-line at www.scouting.org. And lastly, at the end of these registration materials is the Outdoor Release Form for Camp Raven Knob. This form must be submitted with registration as well.

Where can I get more information? Additional Information, medical forms, and registration forms can be obtained from:

National Youth Leadership Training "Top Gun"

OUTDOOR PARENTAL RELEASE FORM

The programs offered by the Boy Scouts of America provide youth and adults the opportunities to participate in activities that involve a certain element of risk. The Boy Scouts of America has gone to great lengths to make sure that these programs are done in a safe environment with properly trained leaders conducting the activity. These programs include: Shooting Sports, Climbing, and Cycling among others.

By signing this document the parent or guardian does hereby give permission for their child to receive training and to participate in the activities listed below while on the properties of the Old Hickory Council-Boy Scouts of America or at events sponsored by the Old Hickory Council.

Shooting Sports:

- Boy Scouts can use .22 rifles, shotguns, muzzleloading rifles, BB and pellet rifles, and bows and arrows.
- Venture Crew members can use rifles, muzzleloading rifles, handguns, BB and pellet rifles, slingshots, and bows and arrows.

Climbing:

Climbing and rappelling on man-made towers, climbing and rappelling on natural surfaces, bouldering on man-made surfaces, low ropes and high ropes activities.

Cycling:

Mountain Biking, BMX and Road Biking.
