Emergency Contact for Saturday morning only:
Ann Jones: (336) 392-6203

Cut Along Dashed Line

Dear Commissioner,

Serving units and keeping them healthy, active, and effective are among the most important responsibilities in Scouting. Commissioners are able to do these tasks best when they are trained for the job.

Each year, volunteers—experienced and new—from the Old Hickory, Blue Ridge Mountains, and Old North State Councils meet at the annual **Triad Cluster College of Commissioner Science** to receive training, share ideas, network, and enjoy Scouting fellowship. By participating in this training event, you have an excellent opportunity to prepare yourself for your important responsibility to Scouting.

Plan now to attend this great event and encourage other commissioners and prospective new commissioners to attend. Please share this information with other interested Scouters at your respective Roundtables and other district and council functions.

Early registration due by Jan. 10, 2020

Final date to register is Jan. 17, 2020

****There will be no on-site registration****
