

Family FOS Commitment Form

Each year the Council and Districts organize a Friends of Scouting Presentation to share with parents and/or guardians of our Scouts.

The purpose of this presentation is to give them the opportunity to voluntarily pledge and help support the operations of the Council. *It is also a requirement to have a presentation to earn the discount at Camp Raven Knob Summer Camp.*

Presentations will be made January through April. Ideal presentations are held during Blue and Gold Banquets (Cub Scouts) and Courts of Honor (Scouts BSA). These are recommended because it allows the parents and grandparents to be in attendance. **Please** select a date or appoint a Unit Family FOS Contact Person, so your District FOS chair can call and coordinate the Family Presentation. Your help is appreciated!
