

Table Host Profile

First and foremost, thank you for volunteering to be a Table Host for our Council's kickoff breakfast for our Annual Campaign. Our objective is to raise \$405,000 this year with the kickoff breakfast raising 25% or \$101,000. There is no cost to attend the event, but attendees will be asked to make a pledge/gift and space is limited.

Your Role:

- Fill a table with 7 guests *plus yourself for a total of 8*.
- The Service Center will provide each table host a working list of current givers and your history if you have been a table host in the past. We encourage you to find new potential supporters as well.
- You are welcome to bring multiple tables of friends or associates to the breakfast.
- Target giving level is **\$500** or higher for each attendee. *(No gift is too large or too small, but we ask that they at least cover breakfast of \$28)*

Your Action Plan:

- Develop prospect list of attendees. The council will provide a prospect list for you to review. Send names oldhickory.council@scouting.org to be "cleared" *(to ensure that are not already attending and/or part of another group being asked)*.
- Invite the prospects to the breakfast.
- Send **confirmed** attendees' information to oldhickory.council@scouting.org. Email their name, email address, and physical address if they are a NEW prospect. Attendees should be confirmed and tables full by **December 1, 2025**.
- Please follow up with your attendees the week of event to remind them to attend!
